

the **Cisler Family**

LIGHTHOUSE TO URUGUAY

Ministry Light

The journey has officially begun. On July 1st we said goodbye to our church family and headed off on full-time deputation. We are extremely excited about what lies ahead for our family. Deputation will present to us the ministry of challenging individuals to give their lives to go to a part of God's world and preach the gospel, as well as the ministry of sharing with precious souls the glorious gospel of Jesus Christ. What an opportunity lies before us!

While we relish in the excitement of this journey, we are saddened to be parting from such a wonderful church family. Over the past ten years I (Chris) have been privileged to be a part of this family. I was saved as a result of this church, baptized into membership and sent to be trained at Bible College. The past five years, God has allowed our family to minister to the church family as Staff. We will greatly miss being a part of the day-to-day ministries of this church family.

At the same time, we know that we are not leaving Community Baptist Church. We are extending its reach, first along the eastern coast of the U.S. and then to the beautiful country of Uruguay. While we do not joy in saying *goodbye*, we are grateful to expand our church's ministry to the *uttermost part of the earth*.

Family Light

Just a couple of weeks ago, we received the great news that God has rewarded us with another precious soul to raise for His glory. We are grateful to God for this blessing. We covet your prayers for the baby's health, as well as mommy's, over the upcoming months. We are expecting this bundle of joy late February/early March.

Please pray for our two oldest boys (Jeshua & Josiah) as they seem to be having a difficult time adjusting to deputation life. They have been uprooted from their home and friends and do not have any understanding as to why. Pray that God will help them with this adjustment and that He will give us wisdom as to how to help them along.

We are looking forward to reporting to you the great works which God has done through the Cisler family.
