LIGHTHOUSE TO URUGUAY

¡Ya Terminamos!

On May 12, we celebrated our accomplishment of completing Missionary Language School with a graduation ceremony. After nine intense months of cramming hundreds of grammar rules and Spanish words into our minds, we have finished this course. We will miss the friends that we made here, but we are very excited to start the next step of our journey.

After a short time of visiting family and a little deputation work, we will finally head to Uruguay. At this point, our target time-frame for departure is mid-January. Please pray that we will be able to accomplish everything that we need to by this time. We need to get some paperwork completed through the Uruguayan consulate (including Jeremiah's, who will not be born until August) and raise a little more support. We came to language school with 92% support and a couple of new churches have started to support our ministry since we've been here, but with the shrinking dollar and impending birth of the new baby we are now at approximately 90%.

We are praying for eight new supporting churches from now through January. We are grateful to know that we serve a God who always provides!

Kindergarten Graduation

Jeshua also had his graduation on May 24. We are so proud of our little boy. We have a video of his graduation available for your viewing on our website, www.LH2U.org/Videos. We also have videos of Chris' first time preaching in Spanish and Erika singing in Spanish as well as many others. We hope that you

find this to be a useful tool for keeping in touch with our family.

Prayer Requests

- God to provide our remaining financial support
- Our transition back to deputation life
- Erika and Jeremiah's health
- Boys' health
- Preparations for heading to Uruguay
- A continuous zeal for lost souls
