LIGHTHOUSE TO URUGUAY

Destination Uruguay!

On July 1, 2009 we said goodbye to our church family and headed off on full-time deputation. We were extremely excited about what lay ahead for our family. We knew that deputation would present to us many blessings and many challenges. We looked forward to the opportunities that lay before us.

Now two and a half years later, we have completed deputation and language training and are preparing to leave for Uruguay. We look back over these last two years with great fondness and appreciation for what God has done. He has provided all of our financial needs very rapidly. He has allowed us to be in over 100 hundred churches, two countries and 20 states. He has kept our mini-van running despite killing two deer, towing a trailer and driving over 70,000 miles. He has allowed us to meet many individuals who love God and many who are lost. We have been very blessed to be involved in His ministry in this particular way.

Initial Plans

We arrive in Uruguay on January 13, 2012 at 5:20 in the morning. Our first 6-8 months there, we will be staying in another missionaries home while they are on a furlough. We will also get involved in a variety of ministries and work on developing our Spanish abilities. Regarding our plans after the first 6-8 months, we have a lot more questions than answers. We are praying for God's wisdom as we make decisions.

Special Thank You to all of you who have generously donated to our *Uruguay Needs Fund*.
